A large, stylized graphic of a flame or wave, rendered in red and white, occupies the left side of the image. It starts from the top left, curves down and to the right, then loops back up and to the left, creating a dynamic, flowing shape that covers approximately one-third of the page.

IT WAS ALMOST LIKE A SONG

You
are cordially invited to share with us
a beautiful song-and use this
1980 Charger annual
as a means to relive the
academic and social highlights
of this school year.
Because we feel that the memories
we have shared in this school year
were "Almost Like a Song..."

Once in every life...

Someone comes along...

And you came to me...

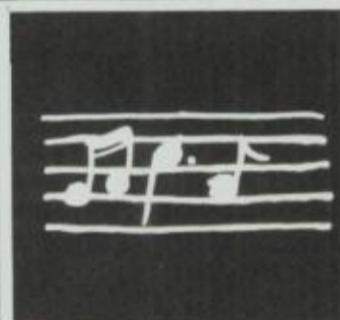

It was almost like a song...

You were in my arms...

Right where you belong...

And we were so in love...

It was almost like a song...

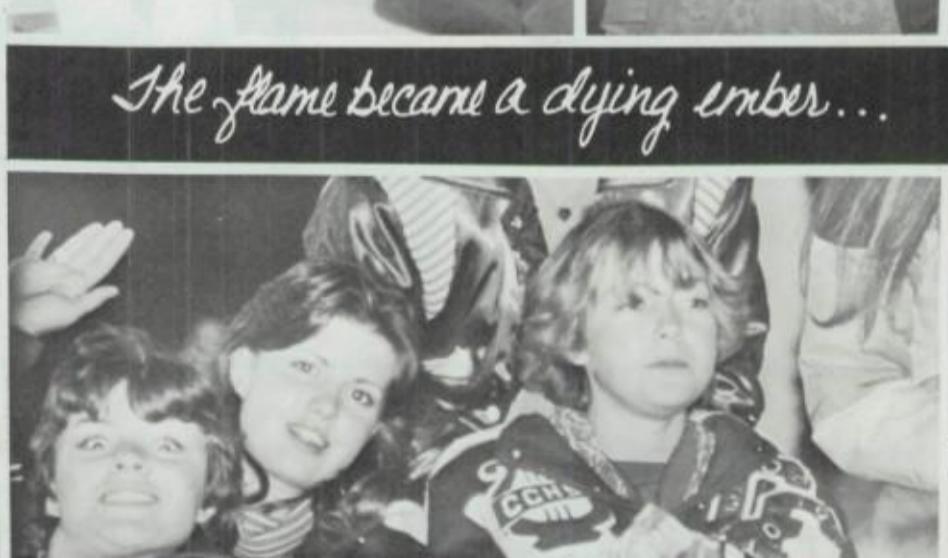

January thru December...

We had such a perfect year...

The flame became a dying ember...

All at once - You weren't here...

STUDENT COUNCIL

"Let The Good Times Roll" ♫♪

The Student Council of the 1979-80 school year was one of the busiest we've had in a long time.

Headboy, Greg Wise, and Headgirl, Rhonda Bauer, were an outstanding team. They had some great members to help bring the year to a super close.

Some of the things accomplished by the Student Council were: The new blue carpet, the Spring Festivities and dance, Y.A.C. Club organized, and a Homecoming Queen with a royal court of Princesses instead of attendents.

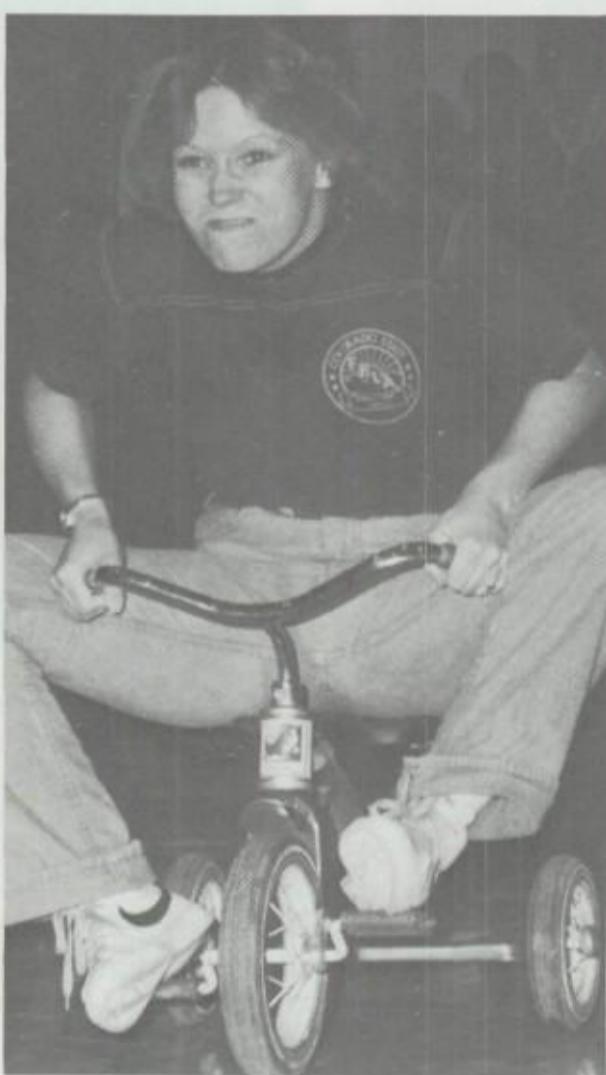

It was a super year. Thanks to the students of Crowley County High School!

“JOY TO THE WORLD” CANDLELIGHT CEREMONY

Reverend Roland Teubner

Head Girl Rhonda Bauer and Head Boy Greg Wise

The Unity Candle, which symbolizes the unity of C.C.H.S.

Each Year the C.C.H.S. Student Council holds a Candlelight Ceremony for all students in high school and for those people in the community who wish to participate. A guest speaker is always present every year, and this year Reverend Roland Teubner (retired) from Crowley gave a very interesting and thought-provoking talk. Student Council Head Boy Greg Wise and Head Girl Rhonda Bauer also gave short speeches. The high school choir, under the direction of Mr. Fred Lund, sang several selections and the candles were lit. The lighting of the candles symbolize the unity of all the people present.

Pictured l to r: Theresa Weiss, Vicki Peters, Susan Sanchez, Janna Adkinson, Jim Trujillo, Lori Aragon, Lori Vasquez, Tammy Tompkins.

VOICE OF DEMOCRACY

"My Role In America's Future" was the topic of the speech contest called VOICE OF DEMOCRACY sponsored by the VFW in our high school this year.

Gary Ashida (top left), 1st place winner, was presented a \$50 savings bond. Lola Lopez, 2nd place winner in this years contest received a trophy, along with Kelly Ashida 3rd place winner!

It was twelve years ago in 1967 that these 34 students started school at Crowley County. At that time, the farthest thing from their minds was in twelve years they would be graduating, as 1980's Seniors. But soon they realized that, seniors come and seniors go through this school as fast as the years go by. Many of them don't give much thought to the fact that they are seniors. Oh, sure they are the top of the school and are respected, and looked up to, but that's about all the credit they are given.

This year we have the class of 1980 as our seniors. Just another bunch of seniors, right? Wrong? Actually they are a very special class. They will see their lives end and begin in a whole new decade - the 1980's.

For the members of this class, 1980 means the end of their high school years and yet, the beginning of their own lives. Many questions pop into the minds of seniors. Questions of confusion and curiosity, such as where shall I go? What shall I be? How will I pay my way?

The class of 1980 has seen many changes throughout this past decade - changes in our town, our state, our country and also our world. We've all changed much in this decade. What is ahead of us now is a very big question in all our minds.

The future as we look at it is very unpredictable. No one knows for certain what lies ahead for the class of 1980 or the rest of us. All we can do is work together the best we can with what we have and strive for the best possible.

CROWLEY COUNTY HIGH SCHOOL

STUDENT COUNCIL

THANKS
SUPPORTERS!!

All hail to you, Crowley County. Here's to the Red and to the White. Go Chargers Go. We are behind you all the way. So onward Chargers to victory. We'll sing your praises everywhere. Fight on and win this game for dear old Crowley County High...

As editors of the Charger 1980 annual, we would like to dedicate a very special song to you--our school song.

This song not only represents our school but it also represents the honor, pride and unity of CCHS students in the past school year.

With each breath, we mark the passing of our school days that were once the only life we knew. We hope these collections of pictures, words and songs help you to recall all of those precious, beautiful and "breathless" moments.

We feel that each moment we have shared this past year can be related to various songs we have all heard and enjoyed.

We hope that this school year and all of its memories will linger in your thoughts and hearts just as a beautiful song does...

Remember to keep a song in your heart, and your life will always be full of love, hope and beauty...

Sincerely yours,
The editors of the 1980 Charger annual
